### **High Level Entertainment Returns to Wild Waves Theme Park**

*Coming in Summer 2011*

FEDERAL WAY, WASHINGTON (Wednesday, May 4, 2011) - Wild Waves Theme Park will offer a new exciting lineup of entertainment this Summer with an exciting and daring new high dive attraction, plus brand new stage and strolling shows.

The **High Dive** show features daring, skilled entertainers delivering acrobatic and thrilling dives from as high as 80 feet. The high dive show also includes the world famous Human Torch Fire Dive. Three new music shows provide a wide range of musical genres from rock to dance music, fun beach music and old school 50's style doo wop. Wild Waves General Manager, Todd Suchan commented recently on the parks entertainment plans, "We wanted to take our entertainment at the park to a higher level for this season and we truly feel we have hit that goal. We must offer first class entertainment for our guests to be a top level theme park."

The new music shows are: **RockNation**, a stage show, delivering high energy music from current pop hits to classic rock and even a few 80's hair band hits. **Beach Party**, a strolling show filled with summer fun songs designed to make people of any age get up and dance under the hot summer sun. And, last but not least, **The Poolside Bop** features old school Doo Wop hits blending tight harmonies with a little comic flair.

"We are looking to improve the Wild Waves experience for every guest," said Jeff Stock, President of Wild Waves Theme Park. "We view the High Dive show and the music shows as a great addition to our list of attractions."

A complete schedule of the high dive attraction and music shows can be found at [WildWaves.com](http://WildWaves.com).  
GO WILD!

#### **About Wild Waves Theme Park**

Wild Waves Theme Park features 70-acres of family fun with more than 60 attractions. This includes 20 waterslides – a new family raft ride coming in 2011, the 50-foot Zooma Falls family raft ride, the Konga Lazy River, a 24,000-square-foot wave pool and more. The park is also home to Washington's biggest roller coaster TimberHawk and steel roller coaster The Wild Thing.

Wild Waves Theme Park opens May 14, 2011 through September 11, 2011. Don't forget about Fright Fest Fridays through Sundays during the month of October. The park is located at 36201 Enchanted Parkway South. For park information, please call (253) 661-8000 or visit [WildWaves.com](http://WildWaves.com).
